

Cookies policy

File policy "cookies" service **desktopassist.net**

1. "Cookies" peaks should be understood as IT data stored in user's end devices, intended for the use of websites. In particular, these are text files, containing the name of the website from which they originate, their storage time on the end device and a unique number.
2. The website does not automatically collect any information, except for information contained in cookie files.
3. Cookies are intended for using the website pages. The operator uses these files to:
 - a) the ability to log in and maintain a user session on each subsequent page of the website
 - b) matching the content of the website to the individual preferences of the user, first of all these files recognize his device so that, according to his preferences, he can display the page
 - c) to create anonymous statistics excluding the possibility of user identification.
4. Cookies used by the website operator's partners, in particular website users, are subject to their own privacy policy.
5. In the interest of security of the data entrusted to us, we have developed internal procedures and recommendations to prevent unauthorized access to data. We control their performance and constantly check their compliance with the relevant legal acts - the act on the protection of personal data, the act on the provision of electronic services, as well as any type of implementing acts and acts of Community law.
6. By default, software used for browsing websites allows cookies to be placed on the User's end device by default. These settings can be changed by the User in such a way as to block the automatic service of "cookies" in the settings of the web browser or inform about their every transfer to the user's devices.
7. Website Users can change the settings for cookies at any time. Detailed information about the possibilities and ways of handling cookies are available in the software (web browser) settings.
1. Examples of editing options in popular browsers:
 - Mozilla Firefox: www.support.mozilla.org/en/kb/misette
 - Internet Explorer: www.support.microsoft.com/kb/278835
